

# PRE-REGISTRATION GUIDE

**IMPORTANT** Use the email address registered in your PSL application file. No other address will be accepted.

**Deadline: JUNE 15**

**01**  
STEP

## OPEN THE AUTOMATIC EMAIL

Click on the link in the automatic email you received. It will redirect you to the pre-registration website, where you will be prompted to set your password.

**02**  
STEP

## LOG IN TO THE WEBSITE

Once your password is set, go to the pre-registration website's home page and log in using the form on the right side of the screen.

**03**  
STEP

## START YOUR PRE-REGISTRATION

In the centre of the page, click on: "[Start or resume my pre-registration](#)".

**04**  
STEP

## SELECT YOUR PROGRAMME

On the **Programme ("Filière")** page, select your year : [M1 ST4Health](#) or [M2 ST4Health](#), then click Validate.

**05**  
STEP

## FILL IN THE CIVIL STATUS TAB

**Straight after validating**, click on the "Civil Status" tab. Fill in all required fields including uploading a copy of your photo. **Validate at the bottom.**

**06**  
STEP

## COMPLETE ALL OTHER TABS

Fill in and validate every tab: **Academic Background, Family, etc.** (**INE number & VISA** are not required during pre-registration if you do not have them yet).

**07**  
STEP

## SUBMIT YOUR APPLICATION

"**Validate and Send**" once all tabs are filled in and validated.

## CONFIRMATION

A confirmation message will appear. Your pre-registration file has been successfully submitted.

**A link will appear to download your enrolment certificate.**

## WHAT'S NEXT?

- Once your pre-registration is complete, your file will be processed by the administration. During the summer (most likely in July), you will receive an email with the information to connect to the ESPCI Intranet (OASIS).
- **Before Kick-off (September 3, 2026)**, connect to OASIS and complete your profile: **identity, personal situation, and required documents (CVEC certificate, insurance, RIB, scholarship if applicable).**
- Academic year starts **on September 3, 2026 at 1:45 pm**. You are expected in the Auditorium of ParisSanteCampus ([2-10 Rue d'Oradour-sur-Glane, 75015 Paris](#)). **Attendance is MANDATORY**, including the catch-up course and Health Data Challenge.
